# NARRATIVE

On 08/12/2016 at about 1025 hours I arrived to Fort Bragg along with Fort Bragg Police Officer Thomas O'Neill. Officer O'Neill informed me that Broderek Klee was known to stay at that residence. Upon our arrival we discovered that he was not at the residence at the time.
I then travelled to Fort Bragg Apt. #04 at about 1054 hours to speak to the registered owner of the white Infinity sedan (CA 7JPS281),
I spoke to who told me the following in summary:
sold the white Infinity sedan (CA 7JPS281) to Jennifer Smith back in February 2016. Stated that he sold the car to Smith with an agreement of paying it off in monthly payments. and Smith also made an agreement that she would not receive the pink slip until it was paid off completely.
told me that he works at the Sherwood Oak Health Center with Smith. said that Smith would be working later today at about 1500 hours.
Later that day at about 1515 hours, I arrived at the Sherwood Oak Health Center which is located at 130 Dana Street, Fort Bragg. I contacted Smith regarding this case, who told me the following in summary:
Smith had been living with Christopher Rennacker at Bragg for about a week.
Smith said that about 5 days ago early in the morning, her and Rennacker drove towards Company Ranch Road in the white Infinity sedan which she bought from Flores, with Smith being the driver. Smith was unable to provide times or exact dates. Smith said that the vehicle ran out of gasoline at some point during the drive. Smith was unable to say exactly where the vehicle ran out of gasoline but stated that there was rail road tracks nearby.
Smith and Rennacker started walking around various different camps looking for gasoline. Smith said that Rennacker found a friend that lived in one of the campsites where he was able to obtain gasoline. Smith was unable to provide a name for the CONTROLLED

#### NARRATIVE (continuation)

friend that gave Rennacker the gasoline.

Smith and Rennacker walked back to the vehicle where they found a white male adult (unknown to Smith) in the back seat of the car. Smith said that she had left her vehicle unlocked. Smith said that she then found out that Rennacker knew the subject and they agreed to give him a ride back to Sherwood Road.

Smith also said that when they arrived to the vehicle they were approached by an unknown man who told them that his cabin had been burglarized. Smith told the unknown man that she did not know anything.

Smith put the gasoline in her vehicle and they drove back towards Sherwood Road where she ultimately dropped off the unknown male subject.

Smith said that she and Rennacker arrived back to her home at about 1500 hours that day.

During the interview with Smith she constantly changed her story, was evasive with her answers and would contradict herself with her answers. During my interview with Smith it appeared to me that she was untruthful.

Smith agree to show us the vehicle which was parked on Sherwood Street, north of the Sherwood Oak Health Center. I observed that the vehicle was a white Infinity four door sedan with a license plate off (CA 7JPS281).

MCSO Dispatch did a check on Smith for warrants, probation and driver's license status. Dispatch informed that Smith had a non-extraditable warrant out another state and also that her driver's license was expired.

All interviews were recorded, transferred to a CD-R (SDO#04) and placed into MCSO evidence.

End.

#### NARRATIVE

On 12-10-16, Deputy Ochoa contacted me requesting to get a statement from a subject by the name of Christopher Rennacker, regarding a burglary case. Refer to Deputy Ochoa's report for more details.

Deputy Ochoa devised me Rennacker was staying at the Victory Outreach Church located at 150 Luce Ave. in Ukiah, Ca. I responded to the above location and contacted Rennacker. Rennacker advised me he was present at the campsite in Fort Bragg on 08-07-16. Rennacker advised me he was not aware of anyone taking any items from a campsite or a cabin. Rennacker advised me he went over to a friends campsite to get gas because the vehicle he was in, had ran out of gas. Rennacker advised me that he did not take any items from anywhere and did not see anyone take any items either. Rennacker advised there was a "guy" with dreadlocks who said there were some items missing but did not know anything else about it. Rennacker advised me he was no longer hanging out with the people he was with that day.

Rennacker's statement was audio recorded and later transferred onto a CD-R [SCA# 01] and booked into MCSO Evidence.

End of supplemental report.
